Growing Hope..

My name is Crystal. I came to Newaygo after some serious life-changing events. I just had everything fall apart in my life. I was staying with family and trying to build up a solid support system. I was trying to understand who God was and where He was in my life. I felt lost. The God I knew was wrathful and He was the judge, waiting for me to mess up. I lived in fear of God abandoning me and that I wouldn't find my purpose in life.

I had heard about the Growing Hope Program, and I knew that if I joined, I would get a mentor. I knew having a mentor would help me to tackle my challenges, one by one, and break them down into attainable goals. But also, by joining Growing Hope, I didn't know what I was getting myself into!

I think it's very fitting for the organization to be called Love in the Name of Christ because they really showed me the love of Christ through loving me where I was at. They helped and encouraged me every step of the way. My mentor was so loving and sweet. She was extremely supportive through establishing my financial goals, praying with and for me, and supporting me with legal matters. The fellowship with Growing Hope has given me encouragement and a desire to shine my light.

Seeing all the churches come together in this program to help the community is just so beautiful to see. Love INC has so many people from all walks of life as volunteers. Today, I have a forgiving, loving God that cares about me, is patient with me and will never leave me. Being able to go to the Growing Hope Program has really shown me what God's love is all about and helped me to grow spiritually and practically in my daily life.

The leaders are a listening ear when I need them, a shoulder to cry on if I want it, and they will pray with me. They give me encouragement with scripture, songs, books and are supportive with my walk with the Lord. They've helped me financially get from a place where I felt like I would never get out of the hole, to being able to have a stable means of support. My life is falling back into place today. If anyone feels like they are stuck, behind, treading their wheels in the mud, or not sure where God is in their life, I highly recommend the Growing Hope Program.

You get a family who supports you along the way, encourages you, helps teach you skills, prays with you, and offers a love that is unconditional. I'm so grateful to God that he opened the doors to Love In the Name of Christ in my life.
