How Does Love INC Work?

The Help Center is the foundation of Love In the Name of Christ. It receives requests for help, reviews each request for the nature, extent, and legitimacy of the need, and matches the person with the best source of help. Needs are met through church and community resources or Love INC's own direct assistance program, Food Pantry, Resale Store, or Gap and Transformational Ministries.

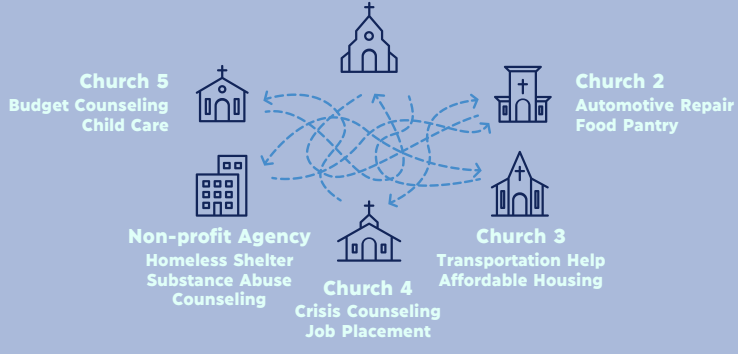

Through the Help Center and collaboration among church and community partners, Love INC identifies needs that are not currently being met and works with churches to "fill in the gaps". Church volunteers are given the opportunity to use their time, talent, and treasure in Gap Ministries such as Project Ramp (building wheelchair ramps), Wheels of Love (providing transportation), Sewing & Quilting (making bags for children in foster care), Re-entry Program (supporting returning citizens as they reestablish their lives), Rooms of Refuge (providing emergency shelter), and Medical Equipment Loan Ministry.

Through Transformational Ministries, Love INC helps individuals and families in chronic need make lasting changes. Church mentors and teachers are trained to walk alongside individuals on a long-term basis as they set goals, overcome roadblocks, regain hope, and receive skills training, spiritual encouragement, and emotional support.

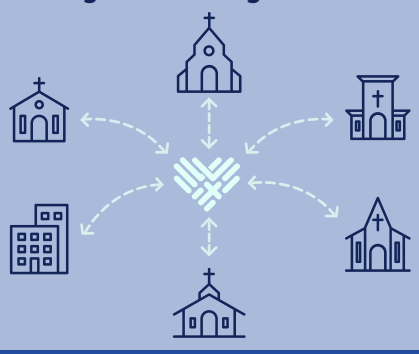

As Love In the Name of Christ of Newaygo County looks to the future, it strives to go even further in engaging community leaders and addressing the deeper issues that contribute to poverty and hopelessness. When working together, Love INC believes that finding solutions to issues such as affordable housing or reaching younger generations with prevention measures, makes transformation within an entire community possible.

THE LOVE IN THE NAME OF CHRIST MODEL

When care is not coordinated, needs can be overlooked or duplicated, and people are not served in a holistic manner.

Love INC fosters collaboration and organizes holistic care to help churches serve their neighbors through resources and relationships.
