## From Homeless to Hopeful:

### HOW ROOMS OF REFUGE IS CHANGING LIVES AND EXPANDING SERVICES

In the first six months of operation, Rooms of Refuge provided shelter to twenty adults and thirteen children, helping four families secure permanent housing! We continue to partner with local churches and community partners to provide safe places and demonstrate the love of Christ as we offer wrap-around services, case management, resource assistance, and personal growth opportunities. Aiming to break the cycle of poverty and homelessness in Newaygo County, each person's needs are met uniquely with respect and dignity.

One of our Rooms of Refuge guests found himself living in his vehicle after a painful divorce during a harsh January. With the support of Rooms of Refuge, he was able to sleep comfortably, enjoy homemade meals, and access essential services. He worked closely with our staff and volunteers who helped him create a budget, apply for housing, and check his credit. Within 44 days, he was able to move into a new apartment with his son and support animals. He now gives back by volunteering with Rooms of Refuge on a regular basis.

Last month, we acquired a new Day Center in Fremont, where our guests will have space for laundry, showers, case management, personal growth and life skills classes, computer usage, and meal preparation. We appreciate everyone who helped with renovations on August 24th!

We couldn't achieve this without your partnership. We look forward to this new chapter for Rooms of Refuge.

Thank you for your continued support!
