# GROWING THROUGH GRACE – A JOURNEY OF HOPE

At Love INC, transformation happens in both the lives we serve and the hearts of those who serve. The "Stress and Time Management" class in our Transformational Ministry Program is a powerful example of how God works through connection and growth.

Barbra's Story – A New Perspective:
"As a first-time facilitator, I wasn't sure how I'd impact others. But teaching this class has been just as transformative for me. I've learned so much about God's love, grace, and even myself. Seeing participants grow each week as they apply stress and time management techniques fills me with gratitude. This role isn't just about teaching—it's about building relationships rooted in Christ's love."

Diane's Story – Finding Peace in the Chaos:
"Attending this class has changed how I manage my time. I've learned to tackle one task at a time and use 'brain dumping' to clear my mind. Most importantly, I've found peace by casting my worries on God. Calling Love INC was the best decision—I found not just a class but a supportive, loving community."
